

Appalachia 2022 – ASP Online Registration

EACH of us **MUST** do this and we all need to do it in the next couple of days. So, here's a step-by-step guide that'll lead you right through it. 😊 Shouldn't take more than a couple of minutes.

Step 1:

Surf your way over to www.asphome.org/volunteer

Step 2:

CLICK on Already Registered?

Step 3:

CLICK on Group Members

Step 4:

CLICK on Join Your Group

Step 5:

Enter 12893 as the Group Number and CLICK on Join and existing group

Step 6:

Confirm that it says St. Thomas Church – Jr/Sr and then CLICK on Join This Group

Step 7:

If you were with us in Jonesville, VA in 2019, you already have an ASP account. But, you may not remember your login info ('cuz why would you?). If you have a new email address than you did then, however, you need to set up a new user profile. If you don't remember your login info ('cuz again, why would you), go ahead and register as new. If you use the same email as you did in 2019, they'll let you know and send you an email with your login info.

If you weren't on the 2019 trip, just register as a new user.

Step 8:

Once you're all signed in (after getting your login info all set) follow the steps to fill out all your information. If you're 18 or below, you may need a parent/guardian to help you out. Fill out the information for you as well as for an Emergency Contact. Then complete/submit your registration.

Step 9:

You'll then need to download TWO documents: the Trip Agreement and the Medical Form. You will need to print those off, fill out any blank spaces, and make sure all other information is accurate. Please bring those forms with you to our July 13 Team Gathering #2.

Step 10

NOTHING!! That's it. You're DONE!! 😊

Thanks everyone! If you have any questions as you go through this, feel free to contact Aran at (920) 379-6229 or aranwalter@gmail.com or via snapchat or facebook or instagram or tiktok or anything else. **@aranwalter**
