

Appalachia 2022

Team Gathering #2

Wednesday, July 13

7:30 AM – 5:30 PM

Hey everyone,

We will be meeting at St. Thomas. Please do not be late ☺ as we need to get on the road and head to Door County Adventure Center's Team Leadership Facility in Sturgeon Bay, WI.

We will be spending most of our time outdoors on both low and high ropes elements. As a result, here is a paragraph of information that our hosts want you all to read:

“Clothing should be casual/active with shoulders and upper arms covered. Closed toe shoes are required, such as hiking boots or tennis shoes. You may want sunglasses & you definitely need to bring a water bottle. The Team Leadership Center is a rustic setting so we suggest that you dress in layers in preparation for the weather and note that the program will be indoor & outdoor regardless of the weather. All participants must remove jewelry and personal belongings from pockets.”

Everyone needs to bring a bag lunch and we'll have coolers to put them in. Please don't forget your water bottle!

There is a 2-page release/medical form that each of us need to print off, fill out, and bring with on July 13. If you are 18 or below, the form requires a parent/guardian signature. You can find the 2-page form online at www.styg.com/lovejourney/appalachia2022

If you have any questions, feel free to ask! Call or text (920) 379-6229 or aranwalter@gmail.com or @aranwalter on snap, insta, twitter, facebook, tiktok, whatsapp, whatever.

peace to you
